### Principal Updates

- Thank you to our PTA for their support this month! They treated our staff with coffee, ran the K-3 dance, and pulled off some amazing events for Leap Day!
- Congrats to all of our Spelling Bee participants! We are so proud of our CES students! A special congratulations and good luck to Vanessa Santiago, 5th grade, as she goes on to represent Chesterfield at the Regional Spelling Bee!
- In March, we are looking forward to celebrating fun Fridays and welcoming back Moo the Therapy Cow!
- March also is the start of Women's History Month. Classes will work all month to learn about and honor women in history.

## Women's History Month

### Counselor's Corner

This month students focused on being kind and promoting kindness! For March, classes will engage in lessons on Resilience.

Need mental health support for your child or your family? Reach out and we can connect you with Care Solace, a mental health coordination service for school districts.

## Specials Spotlight

**From the Art Room:** As March unfolds, anticipation brews for our eagerly awaited school-wide art show at the end of the month. Kindergarten artists have captured the essence of photography, crafting their own instant cameras, while first graders delve into the timeless art of still life, painting their own breathtaking compositions. Second grade embarks on a journey of imagination, conjuring magical creatures through the art of printmaking. Inspired by Robert Indiana's iconic LOVE sculpture, third graders pour their hearts into creating masterpieces that radiate love and positivity. Fourth graders soar to new heights, constructing tree houses inspired by their wildest dreams. Meanwhile, fifth graders venture into the realm of interior design, transforming spaces with their innovative visions. And as sixth graders put the finishing touches on their clay relief units, the air buzzes with excitement, promising a showcase of unparalleled talent and boundless imagination at the end of March! **Don't forget, our Family Arts Night is open to all CES Families on Tuesday, March 26th, from 5-7pm** featuring artwork from all K-6th Graders and a performance by CES Chorus and Advanced Band.
