Dear Chesterfield Elementary School Community,

This letter is to inform you that today we learned that one of the students in our Fully Virtual Instructional Model tested positive for COVID-19. The District is coordinating closely with public health officials and following CDC, state, and local health department guidance in order to assure the health and safety of our community.

Contact Tracing is underway. If you are identified as a close contact (within 6 feet for 15 minutes or more) you will receive an additional notification. No further action is required if you do not receive an additional notification.

We encourage parents and students to continue following the Centers for Disease Control and Prevention promoted safeguards, such as:

- Staying home when you are sick;
- Washing hands often with soap for at least 20 seconds;
- Covering coughs and sneezes and properly disposing of tissues;
- Limiting close contact with people who are sick and not sharing food, drinks and utensils;
- Practicing social distancing (staying at least 6 feet apart);
- Wearing a face covering while in school; and
- Continuing to monitor your health for symptoms.

As always, we appreciate our community's support and cooperation. You can assist us by remaining vigilant, but sensible, in your approach to dealing with this health concern. Should you have any questions about this situation, please feel free to call me directly at (609) 298-6900 x1230 or email me at sheino@chesterfieldschool.com.

Sincerely,

Scott Heino
