Dear Chesterfield School Community,

Happy Thursday! Thank you to the parents who attended the virtual Board of Education meeting last night. As a reminder, the next Board of Education Meeting is scheduled for Wednesday, September 30th at 6:00 PM. The link to access the virtual meeting will be posted on the district website.

During the pandemic, we plan to survey all parents on a monthly basis as we continue to refine health and safety procedures and instruction. The results of our monthly surveys will be shared, along with any changes that are made as a result of the survey data, during the following month. I share this with you because next week we will be sending out our first monthly parent survey and we encourage all parents to take the time to complete the survey.

As a reminder, if you have any questions, please reach out to your child's teacher. If you feel your question is one that needs to be addressed by an administrator, please do not hesitate to contact one of our principals. Last night at the Board of Education Meeting some questions were asked that could have been addressed with a call or email to a principal. Our goal is to provide parents with accurate information in a timely manner. For your reference, here is the contact information for our principals:
