Re: Back-to-School Night

Dear Parents/Guardians,

Our annual Back-to-School Night is scheduled for Thursday, September 14, 2017, and will begin promptly at 6:30 p.m. During Back-to-School Night you are invited to visit your child's classroom where your child's teacher will introduce you to the classroom, review important classroom information / procedures, and provide you with information about the curriculum your child will be involved in during the 2017-2018 school year. Please remember that Back-to-School Night is not a night for individual conferences. If you need to speak with a teacher regarding your child, please schedule a meeting with the teacher at another time. We also request that students do not attend Back-to-School Night.

Our Back-to-School Night Program includes three sessions to accommodate parents with multiple children in the school. The schedule for the evening is as follows:

6:15 Doors Open

6:30 Session I: Homeroom Visitation

7:05 Transition to Session II

7:15 Session II: Homeroom Visitation

Special Area Visitation

7:50 Transition to Session III

8:00 Session III: Homeroom Visitation

Special Area Visitation

Special Education Services Presentation (Media Center)

Chesterfield Elementary School strives to build a premier institution of learning where students are challenged to their fullest potential in a safe and caring environment.

Members of our **6th Grade Safety Patrol** will be on hand this evening to assist you in locating specific teachers. All of them will be wearing their safety belts and they will be allowed to enter the building before the doors are open, starting at 6:00 pm.

Our special area teachers (art, music, library, world language, physical education and technology) will be available in their classrooms for visitation during Sessions II and III. Also, the administrative team will be available throughout the entire evening.

During Session III there will be an informational presentation by our special education teachers that will be held in the Media Center. This session is open to all parents and will focus on the types of special education services that are provided here at Chesterfield. Even if your child does not receive special education services, you may attend and learn more about how services are provided in the regular education setting.

Finally, some special groups will be located in the atrium of the school which will give you the opportunity to visit Ms. Kelly Morawa, our Nutriserve Food Services Manager, as well as our Parent Teacher Association(PTA) representatives and the Chesterfield Public Education Fund(CPEF) representatives. Please feel free to spend some time with these individuals.

We will be using three entrances for Back-to-School Night to accommodate the number of parents who will be entering the building between 6:15 and 6:30 p m. An administrator will be present to welcome parents at each of the three entrances and parents may enter the building at any of the following locations:

Entrance #1: Cafeteria – doors on the side of the building by the main parking lot

Entrance #2: Main Entrance – doors at the front of the building

Entrance #3: Gym – doors on the side of the building along Saddle Way

When exiting the building after the Back-to-School Night, please use the main entrance doors.

Enjoy your evening.

Sincerely,

Michael Mazzoni
