Call for Coaches

The CTAA is a volunteer organization and with the high enrollment in the basketball program we are counting on parents to step up as ***coaches to support the program***. Coaching is a rewarding experience and there is no experience necessary to become a coach. We can organize a coaching clinic if necessary on basic practice drills and coaching fundamentals. When you enroll as a head coach or assistant online we will be in contact with you to ensure that you have all of the proper documentation needed to coach before the season begins.

Thank you for your support,

Don Barus
