Call for coaches

The CTAA is a volunteer organization and with the high enrollment in the basketball program we are counting on parents to step up as coaches to support the program. Coaching is a very rewarding experience and there is no experience necessary to become a coach. If necessary, we can organize a coaching clinic on basic practice drills and coaching fundamentals. When you enroll as a head coach or an assistant online, we will contact you in order to help you obtain all the proper documentation needed to coach before the season begins.

Thank you for your support,

Christina Hoggan
