

The Chesterfield Township C.T.A.A.S.A invites you to experience mind blowing stunt riding and tricks from the **Dialed Actions Sports Team.**

What: Drug Awareness BMX Show

When: Wednesday, September 27

Time: 3:45 (after school)

**Where: Chesterfield Elementary School Basketball Courts
(by the playground)**

At a young age, it is very easy for your friends to talk you into or push you into trying drugs, which is known as “Peer Pressure“. Our BMX Stunt Team understands the importance of being drug-free and what it means to try to live a healthy lifestyle.

As such, we have dedicated part of our professional lives to educating children about the detrimental effects of using drugs. We’ll show how drugs can negatively affect their lives, and how they can be a major hurdle to achieving your dreams.

Our professional BMX Stunt team will provide an entertaining show for students, while also explaining the countless benefits of living a drug free life. By educating children on the pitfalls of peer pressure and drug use, we hope to provide them with knowledge needed to say NO in the future.
