

Hello!

I hope that everyone is having a wonderful summer – cannot believe we are only one month out from school starting up again!

Sixth grade is such a fun year for students at CES and we will just need a little help from you to make it even more special.

As you may know, there are two special projects for the Sixth-Grade class –

- A video is put together to celebrate the class. The video is created by the Northern Burlington Media Director and always comes out so nicely. Everyone will receive a link to the video at the end of the year and it is great to see the memories and share them with friends and family.
- The Sixth Graders also get some special sections in the yearbook. This includes some questions to be answered about their times at CES and special photo sections.

For both projects, we ask for a little help from the parents.

So please keep a close eye on your email, or better yet, follow the CES Yearbook Facebook and Instagram pages to receive the most up to date information.

Thanks so much – hope the remainder of the summer is wonderful and look forward to sharing more information soon!
