

After School Enrichment Programs At Chesterfield Elementary School

Mad Science of West New Jersey

For more information, please call:

609-737-0313

Create a periscope & explore optical illusions and investigate the power of magnets. Explore the states of matter while making putty to take home and hear the call of the wild as you create animal tracks and uncover the hidden rainbows in ordinary light. Make indoor lightning with a Van De Graaff Generator and conduct many other hair-raising experiments!

Each child will receive a take home summary sheet and take home project at the end of each class.

System 2 - Lights, Sights, and Sounds

Call of the Wild
Harnessing Heat
Lights, Color, Action
Magnetic Magic
Matter of Fact
Optical Illusions
