

6TH GRADE PARENTS

Traditionally, the Chesterfield Elementary School Yearbook includes a 6th Grade page including a baby picture and a current picture of your student.

This year we have decided to expand on that idea by requesting **either a baby picture or any type of younger picture & a current picture** of your student. With that, we would like to begin collecting these photos now! I know it's early...but hey, we are on top of this stuff!

How do you submit the photo? Please copy this link into your browser BUT...please ensure to add your child's name, grade, and your email information. If we receive a submission for kids without any information – we're unable to use them since we don't know who they are:

So, with that, please remember to fill out the necessary details with each photo!!

Additionally, you can also email pictures to us at Chesterfieldyearbook@gmail.com if that is easier!

These photos are due Friday, February 3rd, 2023!!! (Plenty of time!)

Thank you and enjoy the remainder of summer!
