

# YEARBOOK Update

## Attention!!

The yearbook company (Josten's) has provided another option to us for submitting photos for possible inclusion in the yearbook!

You can now upload your own photo directly into our site. You'll need to fill out some information such as your name, email address, students name, grade, and please add their teacher in the comments section.

We figured this might be easier and provides a second option along with our email address (along with student name, grade, and teacher) at:

[Chesterfieldyearbook@gmail.com](mailto:Chesterfieldyearbook@gmail.com)

How do you submit the photo? Please copy this link into your browser:

Thank you!
