

6TH GRADE PARENTS!!

Traditionally, the Chesterfield Elementary School Yearbook includes a 6th Grade page including a baby picture and a current picture of your student.

This year we have decided to expand on that idea by requesting **3** pictures: a baby picture, a Kindergarten picture, and a current picture of your student. Therefore, we would like to begin collecting these photos now!

How do you submit the photo? Please copy this link into your browser:

Please remember to fill out the necessary information with each photo submission.

We would love to have these photos by Friday, February 12th.

Thank you and please stay safe!
