

YEARBOOK Update

Welcome to the 2020-2021 school year! This is a unique year, which also means a unique yearbook. We have been in communication with Administration at the school and are beginning to implement some of our new ideas.

With this school year in mind, here are a few things that everyone can do to help make this yearbook a success. **Also note, the yearbook staff will still be doing our best to take photos at the school while ensuring protocols are followed.*

1. When your child is virtual, please take a picture of them at their workspace and send it into the yearbook. We would love to include all students into our book.
2. We're now on Facebook! Follow us to receive updates and news.

3. Social Distancing: per Administration, we will be adhering to all social distancing guidelines. Unless students are siblings, they must be at least 6 feet apart in all photographs.
4. Our email is Chesterfielddyearbook@gmail.com
When submitting pictures, please include the following: **Student's Name, Homeroom Teacher, and Grade.** If we do not have this information, we are unable to utilize the pictures in the yearbook.

Thank you for your support! We look forward to creating a wonderful book despite the hurdles.

Thank you,
April & Liz (The Yearbook Team)
