

Welcome back to school – we have missed you!

We hope everyone enjoyed last year’s yearbook – we were super proud of how it turned out.

We are already planning and preparing for the upcoming school year. We’ll be able to take LOTS of pictures as in years past, but we could always use some extra help.

As the first day of school approaches, please send in your child’s “Back to School Photos”. We would love to add these on some pages in the book.

Some following notes to consider when sending pictures in:

- Please email photos to [Chesterfieldyearbook@gmail.com](mailto:Chesterfieldyearbook@gmail.com)
- Or upload photos directly to our system at <https://images.jostens.com/070Bhb1jPMJMVTFTgjIifQ>
- ***All photo submissions*** must include student name, grade, and teacher. Otherwise, we will not be able to use them.
- Depending on the number of photos submitted – we might not be able to include everyone – but we do our best.

As for notifications, please follow us on Facebook and Instagram.

All notifications can also be found on the school website under the yearbook link on the homepage. We’ll also be pushing lots of announcements to your email through the school to keep you all updated.

Thank you!
