December 11, 2020

Dear Students, Staff, Parents/Guardians:

This letter is to inform you that today we learned of two individuals at Chesterfield Elementary School who have tested positive for Coronavirus Disease 2019 (COVID-19). The District is coordinating closely with the Burlington County Health Department (BCHD) and following CDC and State guidelines in order to ensure the health and safety of our community.

Per the guidelines of the BCHD, Chesterfield Elementary School may remain open. As of this date, there is no evidence of a COVID-19 spread from within our building. In this case, there has been no exposure at school due to the fact that both individuals who tested positive have not been in the building in the last 10 days.

We appreciate our community's support and cooperation. Any student or staff member who is experiencing COVID-19 symptoms or being tested should notify the school nurse and remain home from school. Should you have any questions about this situation, please feel free to call me directly at (609)298-6900 x1230 or email at [sheino@chesterfieldschool.com](mailto:sheino@chesterfieldschool.com). You may also contact our school nurses at (609)298-6900 at extensions 1212 or 1215.

Sincerely,

*Scott Heino*
