

# ESL Family Night

Wednesday, May 25

6:30–7:30 PM

Chesterfield School Media Center

Join us for a fun night full of  
ESL information and games!

Our ESL teacher, Mrs. Gleason, will cover topics for parents/guardians including our ESL Program, the new ESL Report Card and summer supports/resources all while students are designing their own game board.

After Mrs. Gleason's presentation, families will play educational games that students are familiar with and can teach their families how to play.
