

Support Fairview Lake 2019

Hello CES Parents,

We have a fundraiser scheduled for January 24th between the hours of 3:00 and 6:00, after school in the atrium. We have teamed up with a company called Sensonics. They will be conducting a study on scent which will be used for Alzheimer's and Parkinson's research. This fundraiser is going to benefit 2019's Fairview Lake trip. Most of you are well aware of what Fairview Lake actually is,

but maybe you are a new parent here and may not yet know.

Fairview Lake is the annual 6th grade camping trip. It is completely, 100% funded by parents. This fundraiser will help offset some of those costs. It is completely painless and only takes about 10 minutes of your time. If you have some time to spare and can make it over to the school, please use the sign-up genius below and help us out. You do not have to be a parent of a fifth-grade student; it is open to any parent. If grandma usually picks up your child from Champions after school, ask her if she could spare a few minutes. Thank you so much for your time!

The Fairview Lake 2019 Committee
