

**CHESTERFIELD PTA**

# ROCK GARDEN OF

# Love

**It's almost Valentine's Day, and the CES PTA would like to spread some love into the community! Best of all, we are asking for *\*your\** help to do it!**

**We are inviting students, teachers and families to paint a rock to add to our Garden of Love! The more creative, original and colorful - the better! Drop off your rocks in the designated labeled bin inside the school vestibule located inside of the main entrance to the left of the door.**

**Collection will run from January 22 - February 12!**

**Once all rocks are collected, a Rock Garden of Love will be created on school grounds for all to enjoy! Pictures will be posted once the garden is completed!**

**Happy Valentine's Day! Spread love!**
