Chesterfield School was very fortunate in securing the services of Ms. Maria Martinez as an instructional coach for the district. She was BOE approved and began with us in April of 2019. Ms. Martinez is the first instructional coach the school district has ever had and we are excited about the support she will be able to provide to our entire staff.

Ms. Martinez has a Bachelor of Arts and Master's Degree in Educational Leadership from Ramapo College and a second Master's Degree from Rutgers University in Bilingual Education. She has both elementary teaching and administrative experience.

She is dedicated to cultivating positive relationships between school and the Chesterfield community.

Chesterfield Elementary School strives to build a premier institution of learning where students are challenged to their fullest potential in a safe and caring environment.
