March 6, 2023

Good day Chesterfield Family,

We are excited that the Satchel Pulse roll out is beginning. The survey your students will participate in is another step in our support for the social-emotional health of all of our students. The information drives options for lessons that can be incorporated into the classroom to further build resilience, self esteem and confidence. Attached please find a slide presentation that displays examples of what the survey will look like. For anyone who has opted their child out, they will not complete the survey but will still benefit from the resources provided. Thank you for being such an important part of our Chesterfield family.

Regards,
Mental Health Committee
