HELP GIRLS LEARN TO CODE AND CHANGE THE WORLD!

START A FREE GIRLS WHO CODE CLUB IN YOUR COMMUNITY!

WE ARE GIRLS WHO CODE!

We are an international nonprofit seeking to inspire, educate, and equip girls with the computing skills to pursue 21st century opportunities. Girls Who Code has served over 185,000 students across the U.S. and Canada since launching in 2012. Our alumni major in Computer Science and related fields at a rate 15 times higher than the national average. Half of the girls we have served are from historically underrepresented groups.

Our Girls Who Code Clubs are FREE programs for 3-5th and 6-12th grade girls to join our sisterhood of supportive peers and role models, and use computer science to change the world.

HOW DOES GIRLS WHO CODE SUPPORT CLUBS?

We provide all of the following for free to your Club:
- **Online Introductory Training**, Curriculum & Launch Support
- **Girls Who Code HQ**, Our Online Curriculum Platform
- **Clubs Fund**, Mini-Grant Opportunities
- **Student & Facilitator Recruitment Toolkits**, Flyers and more
- **Clubs Success Specialist**, Personalized Virtual Support
- **In-person & Virtual Events** in select Regions & Cities
