

Week of February 22

This week I have books about animal sounds, a silly cat getting into mischief, and shapes found in the city. There are new activities and video links.

Enjoy!
Mrs. Hillman

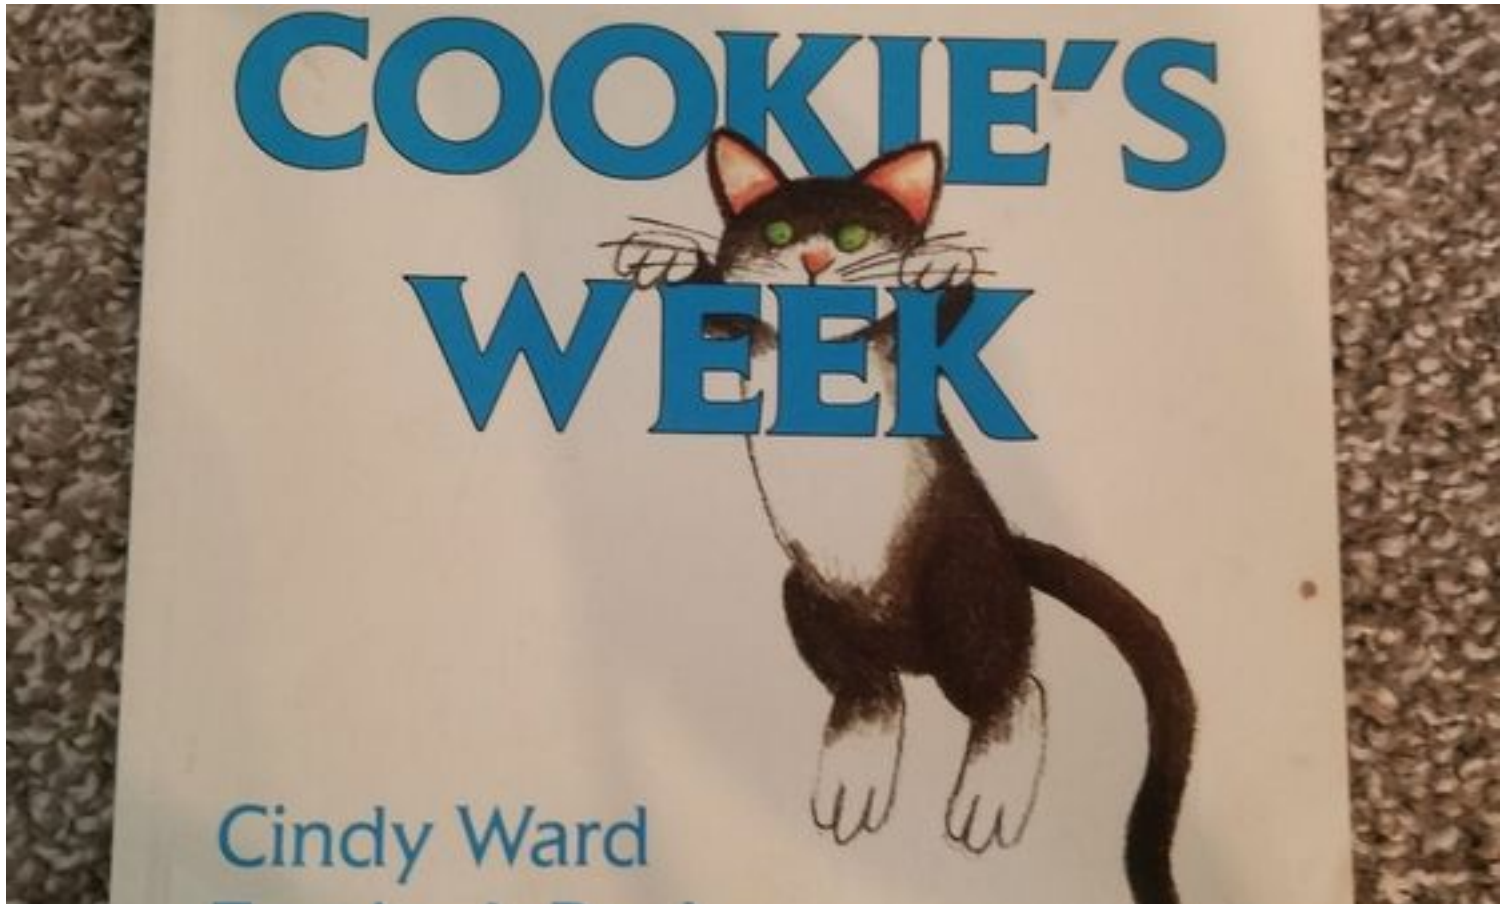

Books for this week:

Polar Bear Polar Bear What Do You Hear by Bill Martin Jr. and Eric Carle

What animals do you hear in the story?

Enjoy!

City Shapes by Diana Murray

There are a lot of shapes in the city! Can you find them?

<http://drive.google.com/file/d/1jsl9Fq2Vs-2yHAnRY9wWeE-ycz0JuGPH/view>

Enjoy!

Here are some suggested activities to do with your child this week.

Enjoy!

1. Go for a shape hunt around the house! Can you find circles? Squares? Triangles? Rectangles? What other shapes are in your house?
2. Give your child a straw and put several small items on the table. Items such as a paper clip, cotton ball, small piece of paper, etc.. Have your child blow through the straw and see if he/she can move the items across the table.
3. Play red light/green light. When you say "green light," have your child run or do any movement. Have your child stop when you say "red light."
4. Talk about where your child is sitting. For example, "you are sitting NEXT TO the window and ON the chair. Use preposition words to describe where your child is sitting. You can talk about where others are sitting too.
5. Read books with rhyming words. Talk about words that sound the same (rhyme) and words that do not rhyme.
