

# Week of October 19

This week, I have fall books about pumpkins and scarecrows! My favorite fall book is [The Little Old Lady Who was Not Afraid of Anything](#) by Linda Willams! I hope you enjoy it as much as my family and I do! There are also fun new activities and videos to enjoy with your child!

Enjoy!

**Here are some suggested activities to do with your child this week.**

**Enjoy!**

1. Make patterns with movements. Pick two movements such as jump and clap. Then make it a pattern such as "jump, clap, jump, clap, jump, clap." You can make more complex patterns such as "jump, jump, clap, jump, jump, clap." Have your child pick two movements and try to make a pattern.

2. Play Bubble Gum In a Dish. Write numbers 1 to 10 on paper. Have your child pick a number. Then say the rhyme "Bubble gum, bubble gum in a dish. How many pieces do you wish?" Then clap as you count to the number your child chose. At the end you "pop!" and jump up.

3. Shoes: Collect shoes from around the house. Then have your child line them up from smallest to largest. You can also sort them in other ways such as shoes with laces, slip on shoes, kids shoes vs adult shoes, etc...

4. Make a pumpkin using this link:

5. Animal sounds: Make different animal sounds and see if your child can guess what animal you are. You can give other clues such as "lives on a farm and likes mud."

6. Go to a pumpkin patch or other place to find a pumpkin. Talk about where and how pumpkins grow. Point out the parts of the pumpkin (stem, seeds, skin, etc...). Here is a video on how pumpkins grow:
