Dear Chesterfield Elementary School Community,

With the cold weather upon us, vehicle traffic has increased during student arrival and dismissal. If you drop your child off at school in the morning, please follow all traffic signs/laws and heed to the direction of the crossing guards. We have been fortunate that the Chesterfield Township Police Department has stationed officers on foot to help with the flow of traffic in the morning, but we need everyone to do their part. To keep the flow of traffic moving smoothly in the morning, please have your child ready to exit your vehicle when arriving at school and be aware of other vehicles in the drop off lane. We thank you in advance for your cooperation.

The COVID-19 Weekly Health Report for the month of January is below. As a reminder, historical data from September – December 2020 can be found by clicking on this link <https://www.chesterfieldschool.com/Page/2902>. Please note, I have adjusted the numbers from last week due to the cases that were reported after the Thursday letter was sent home and over the weekend.
