February 4, 2021

Dear Chesterfield Elementary School Community,

The sun is shining bright today as we finally have the storm behind us. Hopefully everyone was able to get out and enjoy all the snow has to offer. I want to commend our bus drivers for keeping our students safe while navigating icing spots on Wednesday morning.

Due to the snow day on Monday, the 2020-2021 School Year Calendar will be revised and the last day of school is now Tuesday, June 22<sup>nd</sup>. The revised calendar will be posted on the District website after it is approved by the Board of Education at the February 24<sup>th</sup> monthly meeting. We have also completed the 2021-2022 School Year Calendar which will be presented to the Board of Education at the February 24<sup>th</sup> meeting.

At the January Board of Education meeting, the Board agreed to schedule a work session meeting in February and March as part of the budget development process. In past years, the Board of Education met in subcommittees and each subcommittee reported out to the full Board regarding budgets. In an effort to allow the public an opportunity to observe the Board in their role in the budget development process, the Board has agreed to hold all budget development meetings in public. Please note the work sessions are scheduled for Wednesday, February 17<sup>th</sup> and Wednesday, March 17<sup>th</sup>. The regular monthly meetings are scheduled for Wednesday, February 24<sup>th</sup> and Wednesday, March 24<sup>th</sup>.

We encourage all parents to not let your guard down in the fight against COVID-19. If your child is experiencing any symptoms of illness, please keep your child home. The cooperation and effort of parents, students and staff is critical to the health and safety of our students and staff in the building.

The COVID-19 Weekly Health Report for the month of February is below. As a reminder, historical data from September 2020 – January 2021 can be found by clicking on this link <https://www.chesterfieldschool.com/Page/2902>.
