April 1, 2021

Dear Chesterfield Elementary School Community,

Thank you for your cooperation throughout the last two weeks as we worked with parents and teachers to finalize student placements for April 19<sup>th</sup>. I am pleased to report that everything is on schedule for expanding in-person learning on Monday, April 19<sup>th</sup>.

I want to remind parents that two additional pieces of information will be sent home after spring break. First, our transportation company, Northern Burlington County Regional School District, will send out changes in transportation on Monday, April 12<sup>th</sup>. Additionally, on Tuesday, April 13<sup>th</sup> we will send home our arrival and dismissal procedures that will be used starting Monday, April 19<sup>th</sup>. As I mentioned in last week's letter, the major change will be the drop off location in the morning.

I want to remind all parents of the change in the social distancing guideline from the Department of Health. The new guideline allows for a 3-6 foot range in social distancing in the classroom. We will work to maintain the 6-foot social distance range in as many classrooms as we can, but some classrooms will be set up to function within the 3-6 foot distance range.

I wish all families the best for this well-deserved spring break. As a reminder, the school will be fully remote for the week of April 12<sup>th</sup> and students and teachers will be back in on Monday, April 19<sup>th</sup>. During the week of April 12<sup>th</sup> the main office will be open during normal school hours.

The COVID-19 Weekly Health Report for the month of March is below. As a reminder, historical data from September 2020 – February 2021 can be found by clicking on this link:
