Dear Chesterfield Elementary School Community,

I wish all of you within the Chesterfield School Community a healthy and safe holiday season. As a reminder, when school resumes on January 4<sup>th</sup> after winter break, all students will shift to the Fully Virtual Instructional Model. We look forward to returning to in-person learning on Tuesday, January 19<sup>th</sup>.

In our continued efforts to provide a safe learning and working environment, your cooperation in continuing to report any cases or exposure of COVID-19 within your household throughout the winter break is highly encouraged. If you have information to report, please contact the Health Office. Collecting this data is critical as we monitor for community spread and plan appropriately to keep our school open and safe for all students and staff. During the winter break you can email our nurses at the following:
