Dear Chesterfield Elementary School Community,

This letter is to inform you of COVID-19 activity in Chesterfield Elementary School. Today we were notified of three individuals who tested positive over the weekend. One individual participates in our remote instructional model, and as a result, there was no exposure in the building. Contact tracing in the school has been completed for the other two individuals. If you were identified as a close contact (within 6 feet for 15 cumulative minutes or more over 24 hours), you received additional notifications in the form of a phone call and letter. If you did not receive additional notification, no further action is required.

The District is coordinating closely with the Burlington County Health Department (BCHD) and following CDC and State guidelines in order to ensure the health and safety of our community. Per the guidelines of the BCHD, Chesterfield Elementary School may remain open. As of this date, there is no evidence of a COVID-19 spread from within our building.

We appreciate our community's support and cooperation. Any student or staff member who is experiencing COVID-19 symptoms or being tested should notify the school nurse and remain home from school. Should you have any questions about this situation, please feel free to call me directly at (609) 298-6900 x1230 or email at sheino@chesterfieldschool.com. You may also contact our school nurses at (609) 298-6900 at extensions 1212 or 1215.

Sincerely,

Scott Heino
