Dear Chesterfield Elementary School Community,

This letter is to inform you that today we were notified of a presumed positive case. A presumed positive case is when an individual experiences symptoms consistent with COVID-19 after being a close contact of a confirmed positive case. However, the individual experiencing the symptoms has not yet been tested and thus the DOH identifies them as a presumed positive case. The individual identified as a presumed positive case has not been in the building the entire school year and thus there was no exposure in the school.

We appreciate our community's support and cooperation. Any student or staff member who is experiencing COVID-19 symptoms, or is being tested, should notify the school nurse and remain home from school. Should you have any questions about this situation, please feel free to contact me directly at sheino@chesterfieldschool.com. If you have a specific health question, please feel free to contact our school nurses at (609) 298-6900 ext. 1212 or 1215.

Sincerely,

Scott Heino
