Facilities Report November 2020

1. **Playground** – The replacement of the rubber surface on the playground was completed on Monday, November 9th. We have purchase new swings and swing mats which will be install by our custodial staff.
2. **Replacement of door buzzers/cameras** – Over the years, the camera lens have become foggy from the sunlight, and it was hard for the front office staff to see who was buzzing the door. Due to this problem, it was recommended by the contractor to replace all entryway buzzers/cameras. The contractor came out this month and has replaced them.
