Parents' Guides to Student Success

- The *Parents' Guides to Student Success* were developed by teachers, parents and education experts in response to the **Common Core State Standards** that more than 45 states have adopted.
- Created for grades K-8 and high school English, language arts/literacy and mathematics, the guides provide clear, consistent expectations for what students should be learning at each grade in order to be prepared for college and career.

Parent Guides

- Parents' Guide to Success Booklet (.PDF)
- Four-page Parents' Guides (Color) for K-High School
 - Kindergarten
 - 1st Grade
 - 2nd Grade
 - 3rd Grade
 - 4th Grade
 - 5th Grade
 - 6th Grade
 - 7th Grade
 - 8th Grade
 - High School English
 - High School Math
- Four-page Parents' Guides (BW) for K-High School
- Two-page Parents' Guides (Color) for K-High School
- Parents' Guides to Student Success—Frequently Asked Questions
- State Education Agencies

The guides include:

- Key items children should be learning in English language arts and mathematics in each grade, once Common Core Standards are fully implemented.
- Activities that parents can do at home to support their child's learning.
- Methods for helping parents build stronger relationships with their child's teacher.
- Tips for planning for college and career (high school only).

Educational Activities for Parents and Students

Sites and games aimed at helping students practice key skills of the Common Core Standards.

- [Math Magician](#)
Online games from Oswego City School District that teach math.
- [Granny Prix](#)

Granny Prix is a fun activity that helps students work on fluency.

- [Diaper Derby](#)

Diaper Derby is a fun activity that helps students work on fluency.

- [Math Apps for the Ipad](#)

iPad apps for teaching math.

- [Dare to Compare](#)

Dare to Compare, a part of the Kids' Zone website, contains questions from the Trends in International Mathematics and Science Study (TIMSS), the Civic Education Study (CivEd) and National Assessment of Education Progress (NAEP).
