

# Superintendent's Report

---

Board of Education Meeting  
August 24, 2022

# Security

---

- This summer we completed a security audit with StoneGate Associates (SGA)
- SGA identified current security protocols that are best practices
- SGA identified recommendations to improve building security
- Goal of the audit is based on ensuring the building is safe for students and staff
- The audit was conducted on all facets of our school security
- There was a focus on physical security, specifically interior and exterior access points (doors and windows)
- Some changes will be complete for the start of school, other changes will take place during the school year
