Little Dragons Inclusive Preschool

2024-2025 Application

Chesterfield Township School District is proud to provide an inclusive preschool for our young students. This is an inclusive setting which provides an opportunity for our students with special needs to learn and grow alongside their peers. These classes will have a limited number of openings for typically developing 3 and 4 year old students. This is a half-day program that will meet 5 days per week for 2.5 hours each day, in AM or PM sessions. Transportation to and from the program is the responsibility of the parent/guardian. Tuition is \$3,200.00 for the year. All applicants must be 3 years old before entering the program. If the number of applicants exceeds available spaces, initial participants will be selected by lottery and must be residents of Chesterfield Township. Following the initial lottery, if space permits, the application process will be open to non-residents. **Please enclose the non-refundable application fee of \$25.00 with this application.**

This is an application for typically developing preschool students. If you have a child with special needs, or if you have any concerns about your child's development, please contact us at 609-298-3027.
